Leeds Mencap is a completely independent charity, meaning we must be entirely self-sufficient at raising the funds that enable us to continue our vital work. From our learning disability support groups to our family support, we couldn't do it without you!

What we offer

The siblings group is a social club for siblings who have a brother or sister with a learning disability.

In the group we do a variety of fun activities each week, as well as giving young people the opportunity to share their experience of having a disabled sibling. We are a safe and supportive group where young people can make new friends and meet

"It's Brilliant. I love making new friends and having a laugh and the staff are amazing!"
- Molly

Some of the activities we do include:

- Arts and crafts
- Sports
- Baking / pizza making
- Music workshops
- Games Nights
- Soft play
- Disability awareness
