

Kingfisher Class Termly Topic Task

Follow your interests and choose a topic task to complete before Christmas. You can complete it when it suits you best and bring them into school to share and celebrate with the class. How you present your work is up to you, so be as creative as you can. For example, you could make models, draw and write creatively, use technology, bake, carry out interviews, take photographs or go on trips and visits to places of interest. We look forward to you showcasing your learning and creativity!

<p>We are graphic novelists... Watch 'Antz', 'Bugs Life, Bee Movie' or 'Epic' with your family then create a comic strip of your favourite part.</p>	<p>We are readers... Visit your local library and finds poems about minibeasts. Can you learn and perform your poem and video and upload it to Tapestry for us to watch in class?</p>	<p>STEM (Science, Technology, Engineering and Mathematics) Download and print or draw a scientific diagram of a minibeast and label the different parts. DK Find Out! Or Natural History Museum are great places to research! https://www.dkfindout.com/uk/search/butterfly/ https://www.nhm.ac.uk/discover/insect-pollination.html</p>	<p>We are mathematicians... Create a minibeast game like, 'Build a Beetle' Allocate each body part with a number, for example, body = 5, leg = 4, antennae = 1. Then take it in turns to roll a dice and collect body parts that corresponds with the number your dice lands on!</p>
<p>We are writers... Create a minibeast wordsearch. Can you challenge your family and friends to complete it? You can use a website, like the one below, to support you: https://thewordsearch.com/maker/</p>	<p>We are scientists... Can you research minibeasts? DK Find Out! is a great place to start your research! https://www.dkfindout.com/uk/search/insects/</p> <p> What do you want to find out?</p>	<p>We are design technologists... Create a 3D minibeast. What material will you use? See the photo of a wired minibeast!</p> <p></p>	<p>We are curious learners... Create a fact file about your favourite minibeasts – you can write this or report this via video on Tapestry. Pretend you're Sir David Attenborough and use your researcher voice!</p>
