

Lapwing Class Termly Topic Tasks

Follow your interests and choose two topic tasks to complete over the half term (four per term). You can complete them when it suits you best and bring them into school to share and celebrate with the class. How you present your project is up to you so be as creative as you can. For example, you could make models, draw, and write creatively; use technology; bake and cook; carry out interviews; take photographs or go on trips and visits to places of interest. We look forward to seeing your completed projects.
