

Excellence, Confidence, Compassion, Happiness

Personal Responsibility, Social Responsibility, Environmental Responsibility

What's been happening?

Welcome back! I hope you all had a wonderful Summer Holiday break.

The staff teams have thoroughly enjoyed catching up with the children, hearing all about their adventures.

Reception and Nursery children have been phasing into school this week. With the help of their adults, classmates and buddies their hours have increased and our Reception children completed their first full day of school today! Thank you to our Year 6 buddies for your support and patience settling our youngest children – we can see that great friendships are developing already and look forward to seeing these grow over the year.

Everyone has returned with enthusiasm and settled into new routines in their new classes. The standard of behaviour and the children's attitude and enthusiasm for their learning has been superb - setting high standards from day 1!

You will have some very tired children coming home this evening after such a fantastic first week. I hope you all have a restful weekend, and we look forward to seeing you all again on Monday.

Mrs Yeadon

Celebrations:

We have changed the way we are celebrating achievements this year. Children will receive reward cards for demonstrating our school values: personal responsibility, social responsibility and environmental responsibility. There is no limit to the number of cards you can earn each week!

As well as the cards, each class have cuddly mascots for each value which are placed on the desk of children who are demonstrating that value particularly well.

What's happening next?

A full list of dates for the year has been shared with this newsletter and posted on the school website:

[Term Dates and Training Days | West End Primary School](#)

Alterations may be made throughout the year, and we will communicate these with you as soon as possible.

Sporting events for school have not been finalised. These events are dependent on availability from coaches as well as other schools. Dates for sporting events will be shared with as much notice as possible.

We are looking forward to another busy year!
