

WEST END NEWS 11.10.24

Excellence, Confidence, Compassion, Happiness

Personal Responsibility, Social Responsibility, Environmental Responsibility

What's been happening?

Personal Responsibility

This week we have all been looking into ways to look after our mental health. On Thursday Mrs Dillon led our whole school assembly 'you are not alone' linking with the charity Young Minds. The children followed this up with work in class and showed their support for each other by wearing yellow.

Thank you to everyone for your support. To donate, please go to the Young Minds website (by donating directly you can also choose to gift aid).

Environmental Responsibility

Our Eco Councillors met this week to talk about ways they can make us more ecofriendly. They will be turning off unnecessary lights and whiteboards as a small step towards going carbon neutral as a school! They will also be supporting the work of Horsforth Climate Action group by encouraging their classes to compost their snack fruit and veg on Fridays using our new composting caddies. The school kitchen will also be joining in on with our weekly compost.

Year 2 Class Assembly

Our Year 2 children wowed us all with their fantastic assembly showcasing their work. Their aboriginal fingerpaint artwork was very impressive and their songs about friendship, the environment and capital letters were fantastic – we will be singing them for weeks!

What's happening next?
