## What's been happening?

### School Council – World Mental Health Day

Our new school councillors have been voted in by their peers and they have met with Mrs Parker to discuss ways they can improve our school and support our community. Their first request is that we take part in World Mental Health Day on the 10<sup>th</sup> of October. We understand that our children face a range of problems and challenges. It is important that our children know that they don't have to face these alone and that things can get better.

This World Mental Health Day, we will be joining thousands of people across the UK wearing yellow to raise money for Young Minds who support young people with their mental health. When you wear yellow it can range from a full yellow outfit to a small yellow badge – it is your symbol to show others they are not alone!

To learn more or to donate money to Young Minds to support them please follow the link: [Donate | YoungMinds](#)

### Road Safety

Thank you to the road safety team from Leeds City Council who visited school today. Through their workshops and assemblies, we all learned important safety information which we are all keen to share with our grownups over the weekend!

### PTA fundraising

Asda are currently running a charity campaign to raise money for primary schools. Sign up for cashpot for schools via Asda rewards app. They are offering personal vouchers for signing up & shopping online or in store. So even if you don't do your weekly shop there, if you might pop in now & then it's still worth signing up!

## What's happening next?
