

Excellence, Confidence, Compassion, Happiness

Personal Responsibility, Social Responsibility, Environmental Responsibility

What's been happening?

Stump Cross Caverns

Year 3 went on a trip to Stump Cross Caverns last week. They learned about life in the Stone Age as well as different types of rocks and fossils. This trip links brilliantly with the history and science learning in class. Everyone had a fantastic time and really enjoyed their underground experience and the opportunity to identify rocks and fossils.

Horsforth Community Cafe

Our Year 5 children have started their volunteer work helping at the Horsforth Community Café. Each Monday, a group of our Year 5 children will be supporting the fantastic volunteers at the Community Café by helping to prepare meals and serve lunches. Volunteering this way helps the children to appreciate the value of giving time to support their local community and the reward you get from helping others. A fantastic way to show our school value of Social Responsibility.

Children in Need

Thank you to all the families who donated buns and gave money to Children in Need – we raised £250.60 for this fantastic charity!

What's happening next?
