## What's been happening?

### Year 5 and 6 sport

Year 5 and 6 children represented school in a dodgeball competition on Monday evening. The team represented the school brilliantly and should be extremely proud of themselves. In an event with 10 schools, we came second! Mrs Hampson said that their sportsmanship was awesome!

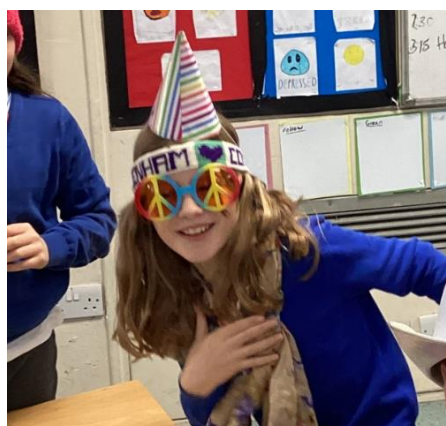

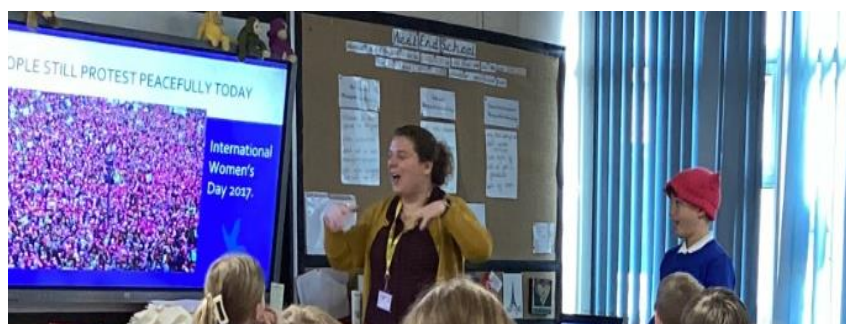

This morning, a group of Year 5 and 6 children represented school at an indoor Athletics event today coming first in the competition!

Great job teams!

### Peace Museum

This week Year 6 have had a visit from the Peace Museum. The children discussed what peace meant to them. They agreed that peace meant quiet and calm as well as living without war and conflict. They dressed up in clothes to help them consider whether the way we look should affect how others see them, how they should act and how important it is to stay true to what you believe. Working as groups they looked at historical figures who have been influential in bringing peace to the world we live in. The children came up with lots of ideas about how they could speak out or influence events peacefully including peaceful protests, voting, petitions and creating support groups. They were very confident in their ideas and impressed our visitors with the balanced way that they expressed their views.

Well done Year 6!
