Personal Responsibility, Social Responsibility, Environmental Responsibility

Cross Country

Congratulations to our cross-country semi-finalists. Ava, Henry and Florence. You were amazing! We should get the official results through in the next couple of days, we think both Henry and Florence are likely to have qualified for the West Yorkshire Final, meaning they get to run and represent Leeds!

Year 4 Class Assembly

Year 4 performed Rocking Romans this morning. Year 4's assembly was inspired by their experience at Royal Armouries where they took part in an Icenis workshop and a Roman workshop. At the workshop, year 4 learned about battles, armour, marching, weapons and about Roman life and life in Britannia as an Icenis warrior. Thank you to the understudies who took on extra parts today for those children. Everyone performed brilliantly, you were absolute superstars!

Young Voices concert

Our choir children thoroughly enjoyed performing with 4000 children as part of the Young Voices choir at Sheffield Arena. The children worked incredibly hard learning 13 different songs to perform. Their performance was spectacular!

What's happening next?
