What has been happening?

Year 4 trip

Year 4 went to the Royal Armouries this week to look around the museum and learn more about the Romans, Iceni and Boudica. They took part in workshops to recreate daily life, watched battle reenactments and tried out their own Roman battle skills! It was a fantastic way to launch into their Roman topic for this term!

'I liked watching the Roman and Iceni battle from the balcony.'
Evangeline

'I liked the workshops especially the Iceni one where we got to wear face paint and hold real swords. The Roman workshop was also interesting because we got to hold a scutum (a Roman shield) and a gladius (a Roman sword) and formed a legion and prepared for battle- the adults threw axes at us!' Amelie

'We went on a Roman trail through the museum and completed a Boudica booklet.' Oliver Hampson

Plea for cotton:

If you have any old cotton shirts or skirts which you are not using, please could you donate them to school. Our Year 5 would like to use cotton material patches in their DT work this term.

What's happening next?
