Excellence, Confidence, Compassion, Happiness

Personal Responsibility, Social Responsibility, Environmental Responsibility

Happy New Year!

What a week of wintry weather it has been!

Thank you for your support and patience whilst we have tackled the elements to make the school grounds safe for access and to give additional time for staff to get into school.

Our special Social Responsibility Award goes to the fantastic team of volunteers who came armed with spades to create pathways. This wonderful team of dads gave up their time to dig through very thick ice to create additional paths for children and parents. It was a back breaking task, and we really appreciate all the time and effort you gave to provide safe access for us all.

Fun in the snow!

We want to praise all the children for the fantastic way they have adapted to indoor play. Once the snow turned to ice it was not safe to play on so moved to our indoor play and lunch plans. Even though we know many of the children felt cooped up, their behaviour was superb! Well done everyone!
