What's been happening?

Young Musicians:

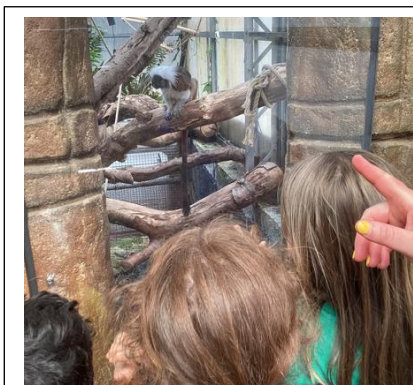

Our young musicians treated us to a wonderful concert on the last week of term. They demonstrated their musical talent through a range of performances both solo and group vocal and instrumental. In school we teach all children to play the ukulele and provide many opportunities for children to take part in additional musical activities outside of the classroom. It was lovely to showcase and celebrate these as well as providing opportunity to for children to share their wider musical talents.

"I was really glad that we were able to perform lots with Band at the Young Musicians concert"

Thank you for everyone at home who supported their children in rehearsing for this event and who were able to come along on the evening to celebrate with us.

Animal Adventures:

Throughout their time in school, the children learn about ways to care for and classify living creatures. Year 3 extended their learning about rain forest animals through their trip to Tropical World. They had a wonderful day learning all about the rainforests of the world and the animals and plants that live within them. The children learned about the layers of the rainforest and the animal which live there. They had opportunity to dress up as animals and time to explore the different rainforest areas of Topical World with the huge range of plants and animals.

Reception Class met a range of interesting animals in their Wriggly Roadshow experience We all loved the experience of holding and stroking the animals!

What's happening next?
