What's been happening?

Parent's evening

It was lovely to welcome so many parents and carers into school this week for parent's evening. Huge thanks to our Year 5 and 6 volunteers who welcomed families and organised books for everyone. They did a fantastic job!

Outdoor learning

Even with the unpredictable weather, we still love learning outside! There are so many benefits to outdoor learning. We know fresh air is good for our mental and physical health and learning outside inspires and engages children in a different way to indoor. Because of this, we incorporate outdoor learning across our curriculum. Outside is not just for PE and playtimes!
