## **What's been happening?**

### **World Book Day**

The children loved their story activities. The enthusiasm around sharing a story together was wonderful. Thank you to all our secret readers for your time, enthusiasm and energy. Thank you also to Mrs Terry for running story yoga for our Reception children. We have all celebrated reading in lots of different ways in our classes and hope you all continue to do so over the coming weeks.

Congratulations to all the children who took part in our book bingo competition. The winners will have opportunity to choose a book at the school book fair! Congratulations also to our Golden ticket winners who will receive their prizes in assembly on Monday!

### **Headteacher recruitment**

I would personally like to thank the governors for all the time and effort they put into the recruitment of our new headteacher. This has been a lengthy process for the governing body with a fantastic outcome! Thank you also to the children and staff who took part in recruitment activities and provided valuable feedback to governors – every view helped to finalise their decision.
