

Excellence, Confidence, Compassion, Happiness

Personal Responsibility, Social Responsibility, Environmental Responsibility

What's been happening?

It has been a very busy week with lots of activities! Year 5 have completed their bike ability training. Year 2 had a virtual aquarium in their classroom and Robins went on a welly walk in the woods. Year 4 went to the Leeds Art Gallery and today, we all 'did something funny for money' for Comic Relief!

Thank you to everyone who has donated to Comic Relief this year. The link is still open for you to give donations for this wonderful charity.

We all thoroughly enjoyed sharing our jokes and laughing together. Thank you to school council and Mrs Parker for organising our day today!

Year 4 trip:

Year 4 enjoyed an inspiring and creative trip to Leeds Art Gallery and the Henry Moore Institute. During the visit, the children took part in two engaging workshops designed to develop their creativity and critical thinking. They began by creating their own sketchbooks, carefully observing a range of artworks and recording both their favourite and least favourite pieces. This encouraged thoughtful, critical discussion and supported the children to express their own artistic opinions.

In the second workshop, the children explored sculpture and mixed media by creating imaginative artwork from recycled "junk" materials. Inspired by the hands-on, exploratory approach promoted at the Institute, they experimented with form, texture and structure, embracing the idea of becoming artists, thinkers and makers.

Throughout the day, the children demonstrated enthusiasm and curiosity. It was wonderful to see them so engaged, and the trip has provided lasting inspiration for their art learning back in school.
